

Student health screenings are performed yearly with grades K-5 and coordinated by Bethel District Nurses. Screening includes vision screening by Oregon Lion's club and Dental screening by White Bird Dental Clinic.

Elementary School Health Screening

Health Screenings for grades K -5 will be performed throughout the district beginning in September. Screenings include vision and dental. Please contact your school Health Assistant if you **do not** want your child to participate in health screening. Please consider being a parent volunteer on their screening day!

Revisiones de Salud en las escuelas primarias

Los exámenes de salud para los alumnos de los grados K -5 se llevarán a cabo en todo el distrito a partir de septiembre. Los exámenes incluirán, examen de la visión y dental. Por favor, póngase en contacto con la Asistente de Salud Escolar si usted no desea que su hijo participe en los exámenes de la salud. ¡Por favor considere ser un padre voluntario en el día de Los Exámenes de Salud!
